Dear Applicant,

The Swim Club application for the 2022 season is now available from the [Membership](#) page. Our membership options remain the same for this year. We don't know at this time whether we will be under COVID restrictions of some type for the 2022 season or not so will need to communicate later should there be any which need to be followed. Our routines for past 2 years along with cooperation of the members allowed us to have safe summers and gives us cause to believe together the same can be achieved this year.

The dates in the membership information are our plans at this time based on what we know as of the date of this letter. We don't anticipate having to but please know that we may need to re-access/adjust those planned dates at any time going forward as we hear from the state agencies regarding COVID restrictions/guidelines. As we have done in the past we will communicate as frequently as necessary to keep you informed so you can make an informed decision for your 2022 membership.

You may pay your membership fee in full or utilize our 3 payment installment plan. Your cancelled check(s) will be your receipt for all payments.

Please make certain that your application is completely filled out, including the names of parent(s)/guardian(s) and children, including birthdate, along with parent/guardian contact information. We need to be able to reach the parent/guardian in an emergency.

All applications **must be signed and dated** and include a check for the total amount of membership, or the first payment if you are using our Installment Plan. While the application does contain a waiver clause, please also complete and return the new separate waiver available from the [Membership](#) page. **We must have a complete application and waiver to consider the membership for processing.**

**IMPORTANT REMINDER NOTICE**

Sher-Le-Mon Swim Club policy is to give preference to previous year members. New member applications are welcome and will be considered in order of their receipt.

If you have a friend who may be interested in joining the club, please give them a copy of the application for their use, or direct them to our web site for an application and more information.

Thank you for your past and future commitment to Sher-Le-Mon.
